BRIDGING TASKS

Task A: GCSE Geography Recap

Create a mind map across two sides of A4 paper that illustrates what you covered during GCSE Geography. Your mind map should include:

- Keywords and their definitions
- Case studies
- Key geographical concepts (both human and physical)
- Geographical skills

You can present your mindmap in any format. This could be through drawings, diagrams and written text.

Task B: Preparation for A-Level Geography

- Collect ten newspaper articles that link to both Globalisation and Natural Hazards. Aim for five articles linked to Globalisation and five linked to Natural Hazards. For each article write a short summary on what the article is about
- Collate these in a folder
- On a blank map of the world, record any tectonic events over the summer. Locate the tectonic event and record at least ten facts
