

## BTEC Music Performance - Extended Diploma (1 A Level Equivalent)

1. Ensure that you can play *at least* 2 pieces from start to finish on your instrument / voice really confidently. They need to be of at least an ABRSM grade 3 standard (you do not need to have taken grade 3 but the performances need to be of this standard). You will be asked to perform and provide a recording of yourself playing/singing on your chosen instrument or voice at the start of the course.
2. Please read and complete the grades 1 - 3 Music Theory resources, which you can find from these links. There are videos embedded in the PDF documents which accompany the questions. You can save and then type onto the PDFs or you can print them out and write on them.
